# A SMOOTHER RIDE IN THE WORKS FOR MOTORISTS ON STATE ROUTE 1 BUSINESS IN CARROLL AND HARALSON COUNTIES

CARROLLTON, Ga. - Work could begin soon on resurfacing State Route (SR) 1 Business in Carroll and Haralson counties. Georgia DOT has just awarded a contract to E.R. Snell Contractor, Inc. of Snellville, Georgia, valued at nearly 1.3 million dollars for a construction project to resurface this state route. The project includes 4.845 miles of milling and plant mix resurfacing on SR 1 Business, beginning at just north of SR 1 in Carroll County and extending to south of SR 1 in Haralson County.

The existing pavement on this portion of SR 1 Business in Carroll and Haralson counties has been deteriorating and in need of resurfacing. SR 1 Business was last resurfaced in 1990.

This construction project is scheduled to be completed by the end of October 2016, at a construction cost of \$1,144,751. Information on construction and lane closure schedules on this project will be forthcoming before work begins.
